

# Can you rap this?

The geekiest Greek with the  
cheekiest epiphanies,  
Seeking out unique techniques, and  
speaking of philosophy,  
geometry, astronomy, music, and  
mathematics.

He was famous in Samos and his  
name was...

This scholastic, charismatic, pre-  
Socratic musician was an anti  
democratic dietician on a mission.  
With cognition for addition this  
logician had ambition. His historical  
precocity upset the politicians.

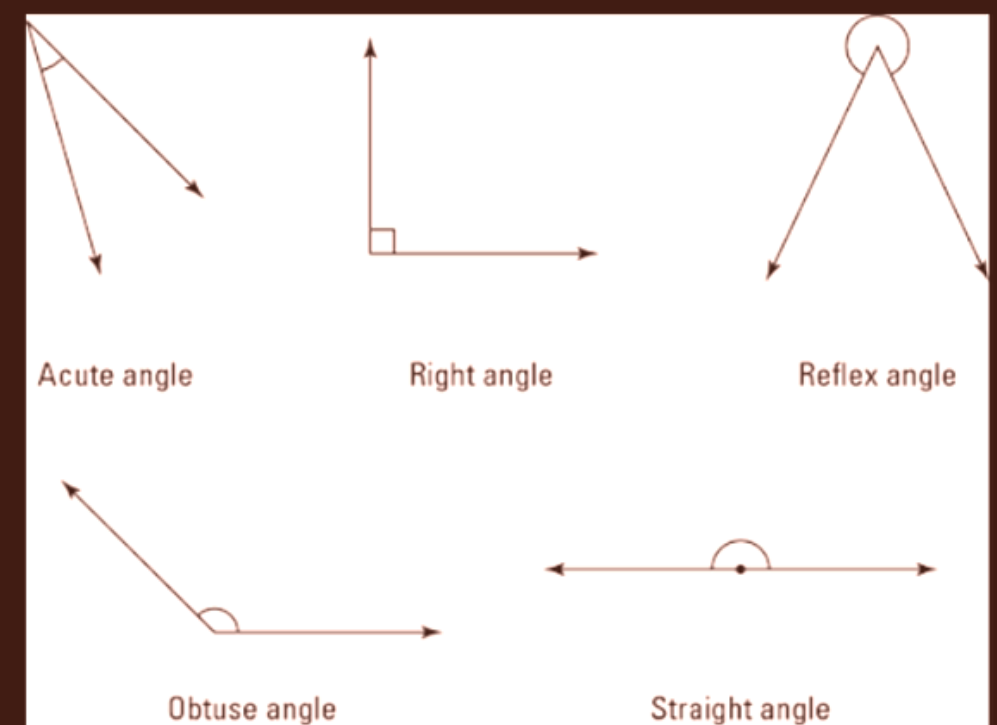

Emphatic fanatics, Mathematical-  
addicts. An automatic classic in a  
drastic position, mega  
metaphysician, and his name was...

Fred.

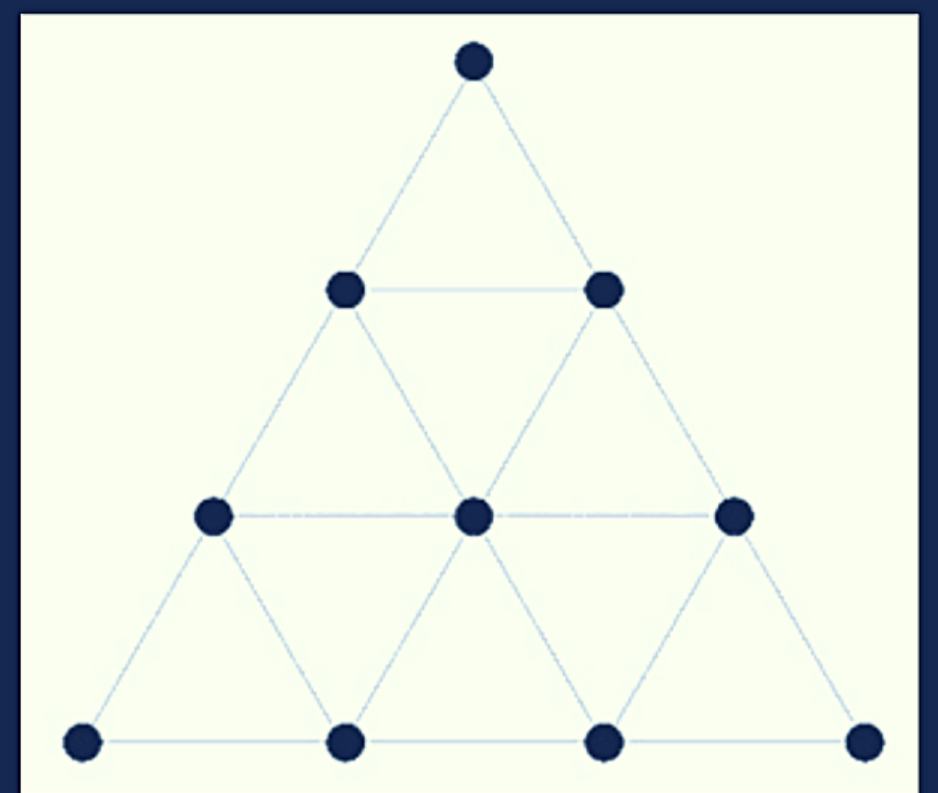

Just kidding.

Pythagoras!

## Angles

## Tetractys

## Pythagorean Theorem
